Directions for cruise passengers - coming by bus from Villefranche

Where is Villefranche?

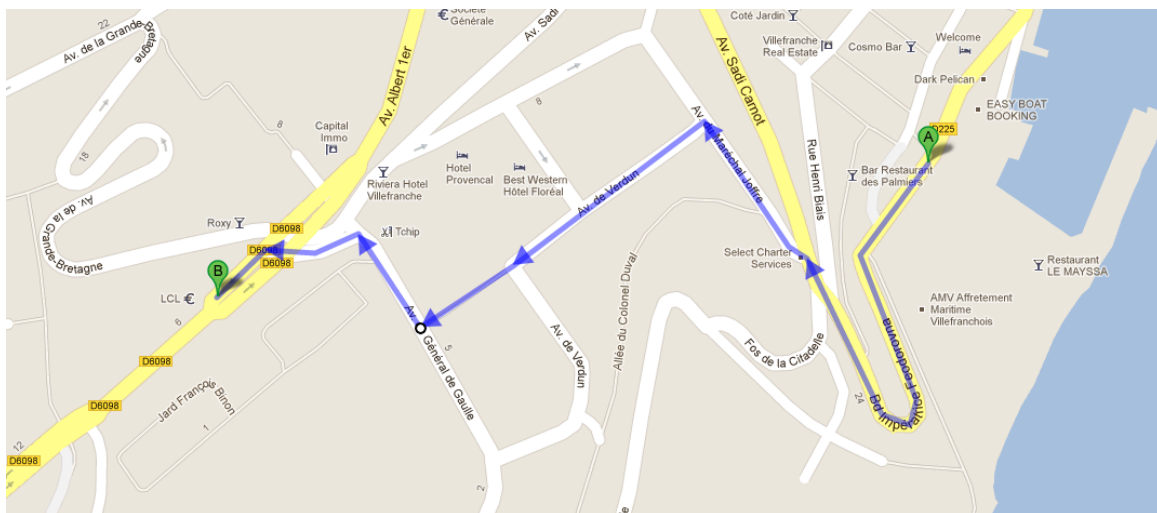

Most cruise passengers come to shore at the port of Villefranche, which is 6 km (4 miles) east from the city of Nice and the tour start point. Allow 1 hr 15 min for the journey.

Travel by bus

The best, cheapest and fastest way to get to Nice from Villefranche is by bus. The bus costs 1,50 € per person per ride and takes approx. 15 mins. Take the bus number 81 or 100.

Finding the bus stop

Allow 30 minutes to walk to the bus stop from the docking port. The best stop is "Octroi". Cross the road and get the bus going in the direction of Nice (to your right when you are facing the sea). This is the Google map directions to the bus stop in Villefranche-sur-Mer:

Get off the bus in the port of Nice.

Meeting Point (WARNING many tours leave from here)

The meeting point is Opera Plage (Opera Beach), see above. It's on the seafront walkway near the Old Town. GPS coordinates: 43.694873 N, 7.272783 E

We run several tours from the same meeting point starting at the same time. Please let the guide know your surname so (s)he can check that you're on the right tour!

- Walk around the port, keeping the water on your left, and out to the seafront.
- Walk along the seafront until you reach the Opera Plage (Opera Beach) seafront restaurant entrance.
- The "Rusty Poles" monument is near our meeting point, see picture to the right.
- Please turn up on time, as the tour may start without you!

Getting back to Villefranche

To get back to Villefranche, get on the same bus (either the no. 81 or 100) at the same bus stop you got off.
