Meeting Point (WARNING many tours leave from here)

The meeting point is Opera Plage (Opera Beach), see above. It's on the seafront walkway near the Old Town. GPS coordinates: 43.694873 N, 7.272783 E

We run several tours from the same meeting point starting at the same time. Please let the guide know your surname so (s)he can check that you're on the right tour!

- Please turn up on time, as the tour may start without you!
- The "Rusty Poles" monument is near our meeting point, see picture to the right.
- If you're late and want to meet up at the bike shop, see directions just below. We'll be at the shop 15 minutes to 30 minutes after the tour starting time.
- Here's the Google map showing our meeting point:

Bike shop

If you're late for the meeting point, you can join us directly at the shop. We'll be there 15 minutes to 30 minutes after the tour starting time.

- With the Opera Plage sign behind you, head right for about 50 m and cross the four lanes of traffic at the pedestrian crossing.
- Head straight on through a tunnel under a building.
- Keep on going straight on until you reach a large square with a big set of stairs coming down from a building on the right and a pink clock tower at the far left corner.
- Cross the square diagonally and head for its far right corner.
- Turn right onto Rue de la Préfecture and follow it for 80 m.
- Turn left onto Rue de Colonna d'Istria and follow it for 75 m.
- Our shop is on the corner with Rue du Pontin.
